## **1.2 LOGIN ID / PASSWORD**

[Step 1: Locate the welcome kit email](#)

[Step 2: Enter your User ID and password](#)

[Step 3: Change your temporary password \(first time login only\)](#)

[Step 4: Login with your new password](#)

[Step 5: Navigate to Oracle Sourcing Homepage](#)

## Step 1: Locate the welcome kit email

When a supplier contact is registered to Oracle Sourcing, a “Welcome Kit” is sent to the supplier contact email address. The welcome kit includes your SSO ID and Default password

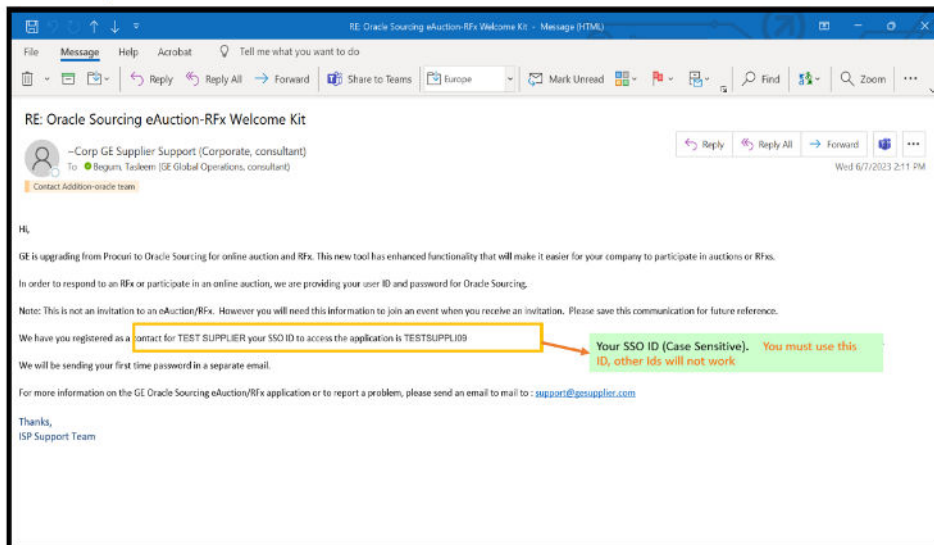

The welcome kit is sent from [support@gesupplier.com](mailto:support@gesupplier.com) and in a series of 2 emails. The first email includes the **SSO ID**. The second email has the **Default password**.

Please follow the guidelines on the welcome kit precisely.

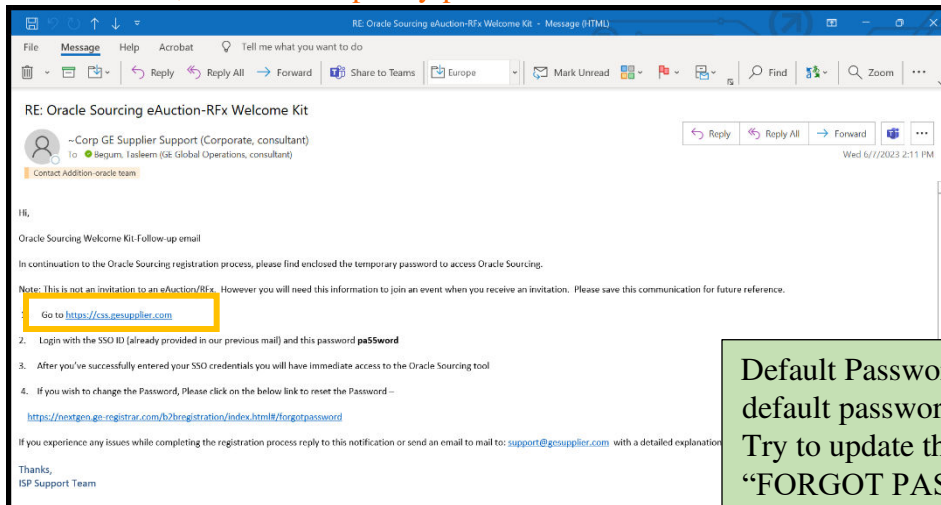

[Click here if you cannot locate the welcome kit](#)

Sample Welcome kit:

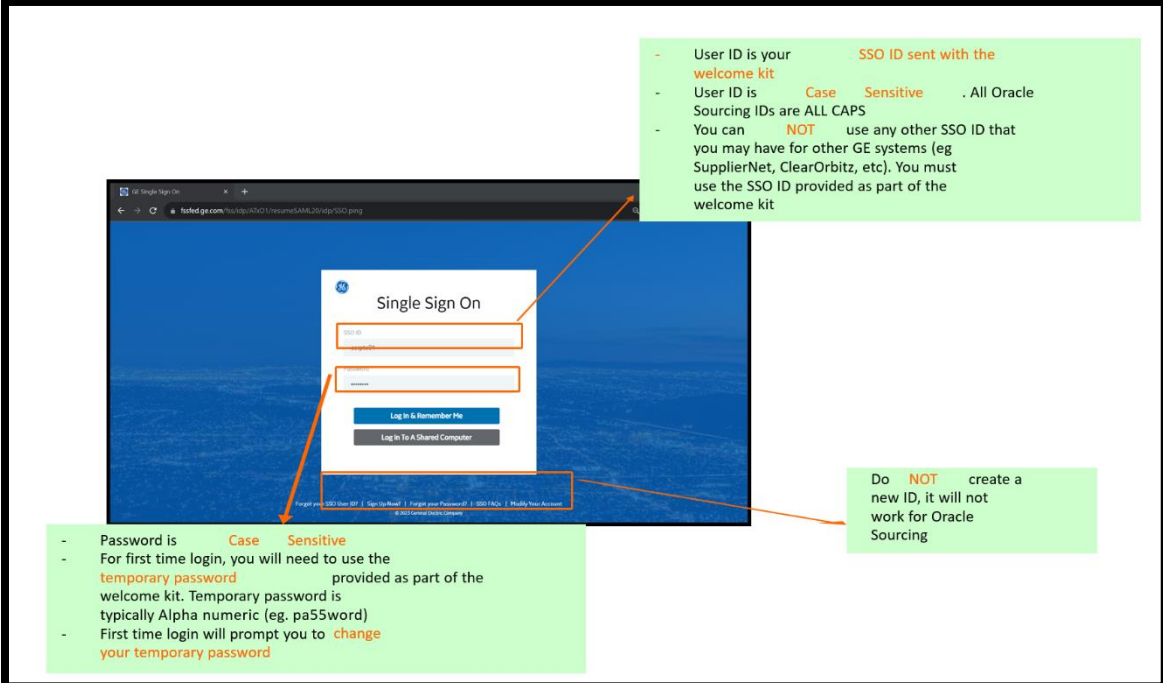

First email, includes SSO ID

## Second email, includes temporary password

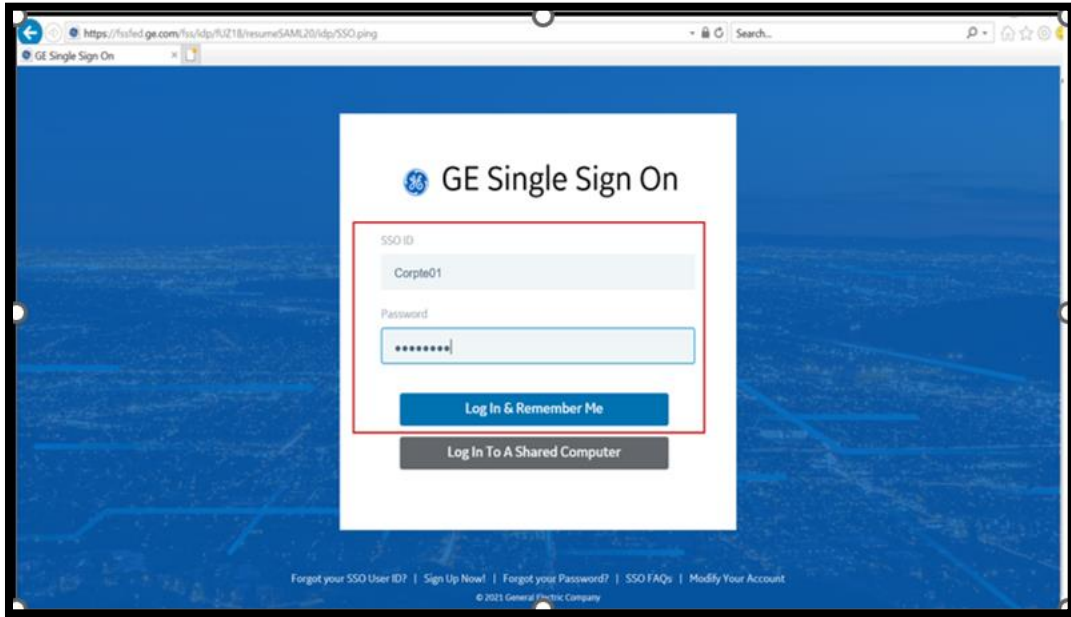

Step 2: Enter your User ID and password (<https://css.gesupplier.com>)

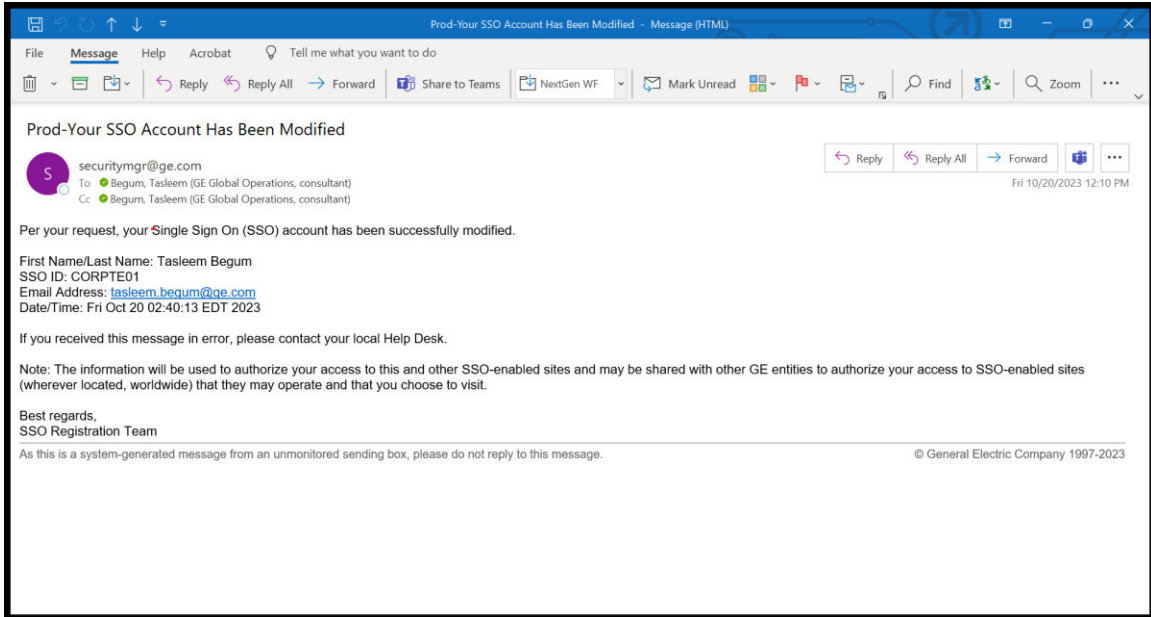

The image shows a screenshot of a web browser displaying the 'Single Sign On' login page. The page has a blue background and a white login form in the center. The form contains two input fields: 'User ID' and 'Password'. Below the fields are two buttons: 'Log In & Remember Me' and 'Log In To A Shared Computer'. The browser's address bar shows the URL 'https://css.gesupplier.com'. Three callout boxes with green backgrounds and black text provide additional instructions:

- Top Callout:**
  - User ID is your **SSO ID sent with the welcome kit**
  - User ID is **Case Sensitive**. All Oracle Sourcing IDs are ALL CAPS
  - You can **NOT** use any other SSO ID that you may have for other GE systems (eg SupplierNet, ClearOrbitz, etc). You must use the SSO ID provided as part of the welcome kit
- Bottom Left Callout:**
  - Password is **Case Sensitive**
  - For first time login, you will need to use the **temporary password** provided as part of the welcome kit. Temporary password is typically Alpha numeric (eg. pa55word)
  - First time login will prompt you to **change your temporary password**
- Bottom Right Callout:**
  - Do **NOT** create a new ID, it will not work for Oracle Sourcing

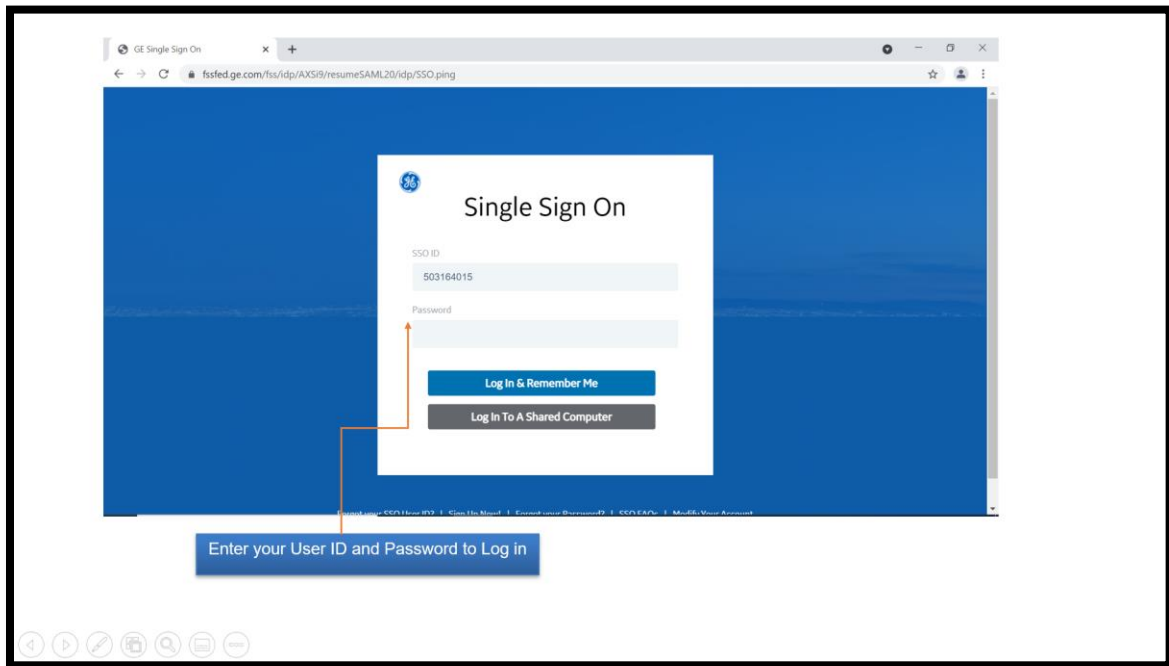

**[Step 3: Change your temporary password \(Use Forgot Password to reset.\)](#)**

You will receive a confirmation message and email confirmation.

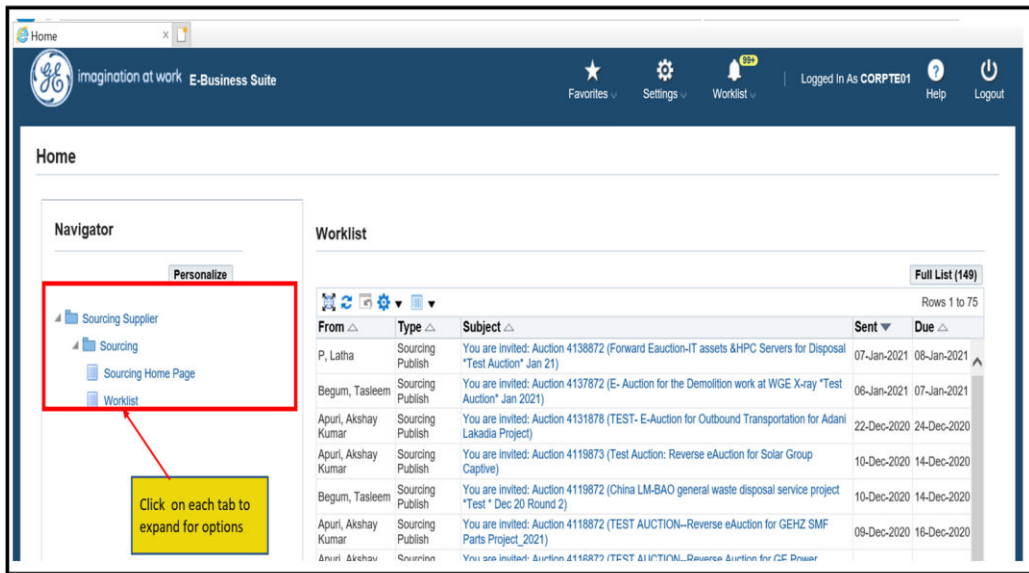

#### [Step 4: Login with your NEW password](#)

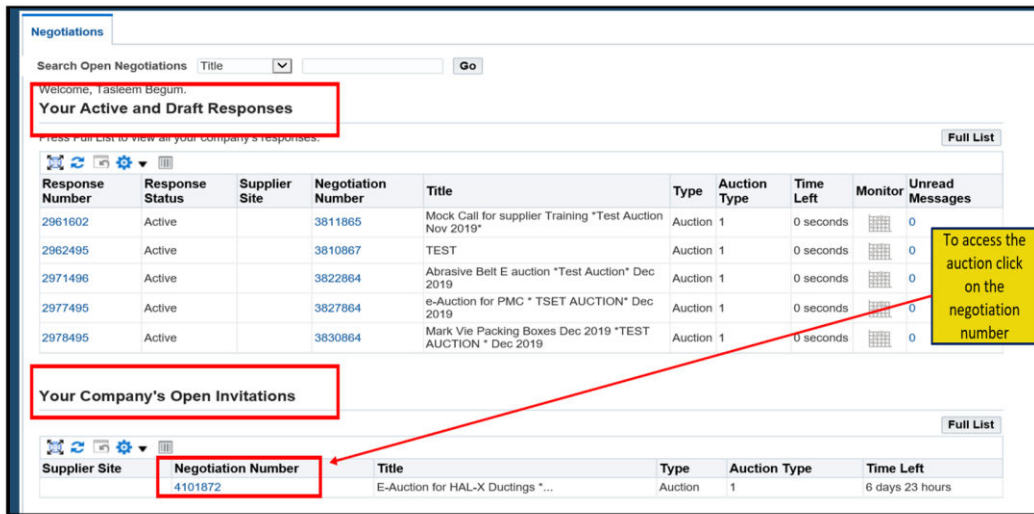

#### [Step 5: Navigate to Oracle Sourcing Homepage](#)

Click on Sourcing Supplier → Sourcing → Sourcing Home Page

**After clicking “reset link” you will get a confirmation screen enter the reset code and continue.**

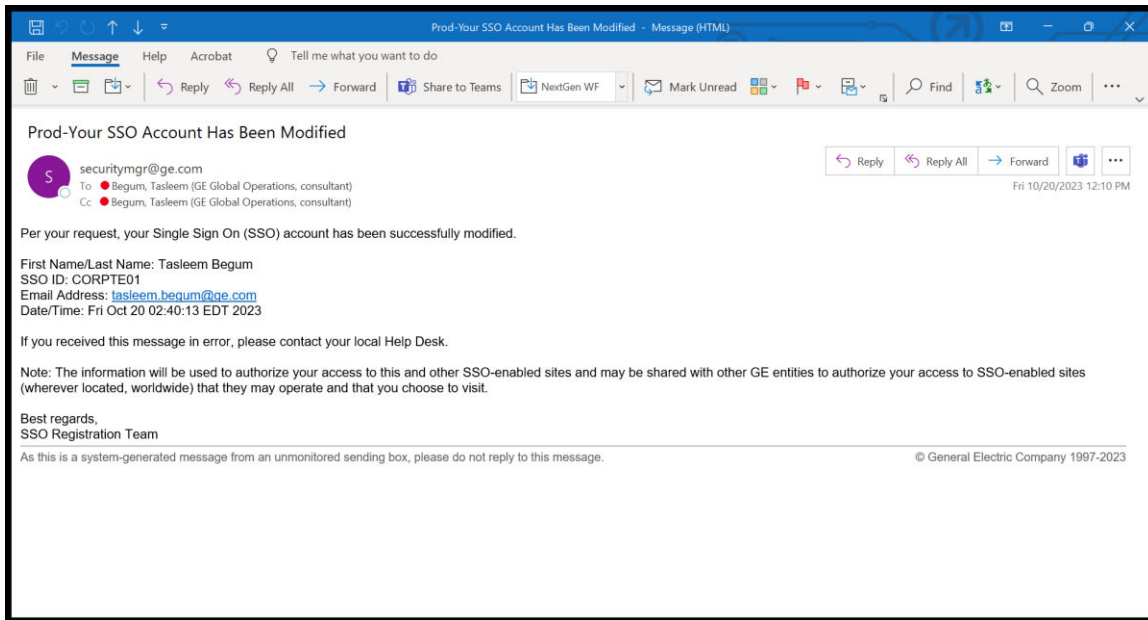

Update the new password details

Pop up will be received on password update.

Email will be sent about reset success

## 1.5 FAQs / Troubleshooting

### 1.5.1 I cannot login to Oracle Sourcing. What do I do?

1.5.2 In order to login to Oracle Sourcing, you must have received a **welcome kit**. The welcome kit is sent via email from [support@gesupplier.com](mailto:support@gesupplier.com) at your registered email address.

---

Please follow the following steps if you are facing issues with login:

A) Did you receive the welcome kit? If not, check your **spam/junk folders**. It is also advised that you search your inbox for sender “[support@gesupplier.com](mailto:support@gesupplier.com)”. If you still cannot locate the welcome kit, please send an email to [support@gesupplier.com](mailto:support@gesupplier.com) with your full name, company name & addresses, email address and phone number.

B) If you are able to locate the welcome kit, confirm you are using the correct website address. GE Oracle Sourcing is located at <https://css.gesupplier.com>

C) Confirm that you are using the login ID included in the welcome kit. Any other

GE login ID that you may have will **NOT** work for Oracle Sourcing. For example, GE Appliances SupplierNet login ID / password will not work for Oracle Sourcing. **Login ID is case sensitive.**

- D) Confirm the password. When you login to Oracle Sourcing for the first time, you must use the **temporary password** provided in the welcome kit. **Password is case sensitive**. The temporary password is typically a 4 letter work in all caps (eg. ABCD). If you are unable to locate your temporary password, please contact [support@gesupplier.com](mailto:support@gesupplier.com) with your login ID and email address.

The first time you have successfully logged in using your temporary password, you will be prompted to change your temporary password.

- E) If you continue to have issues with login after trying the steps above, please contact [support@gesupplier.com](mailto:support@gesupplier.com) for helpdesk support. Please provide **detailed description** of the steps you have taken along with your login ID, company name, email address and contact number.

### **1.5.3 I have not received the welcome kit. Who do I contact?**

Please check your **spam/junk folders**. It also advised that you search your inbox for sender "[support@gesupplier.com](mailto:support@gesupplier.com)". If you still cannot locate the welcome kit, please send an email to [support@gesupplier.com](mailto:support@gesupplier.com) with your full name, company name & addresses, email address and phone number.

### **1.5.4 I can login successfully however I cannot find the auction / RFQ / RFI.**

Only negotiations that are published and the preview or open date has passed are visible. The supplier contact who is invited to the auction/RFQ/RFI will get an invitation email when the negotiation is published.

Please make sure that upon successful login, you select Sourcing Supplier → Sourcing → Sourcing Home page to get to the Oracle Sourcing Homepage.

### **1.5.5 Will my user ID / password from Procuri work?**

No, your Procuri user Id / password will not work. You must use the login ID provided on the welcome kit.

**1.5.6 I already have an SSO ID for SupplierNet, will I use the same SSO ID / password?**

No, your SSO ID / password for other GE applications (such as SupplierNet, Clear Orbit, etc) will not work. You must use the login ID provided on the welcome kit.

**1.5.7 Can I ‘Sign Up’ for my own SSO ID and password?**

No, if you create a new SSO ID / pwd by signing up online, it will not work for Oracle Sourcing. You must use the login ID provided on the welcome kit.

**1.5.8 Who do I contact for support?**

Please send email to [support@gesupplier.com](mailto:support@gesupplier.com) and very detailed information on the type of issue you are facing and steps you have taken to remedy it.

**1.5.9 How do I register to Oracle Sourcing?**

Supplier contact registration can only be initiated by the GE Buyer/ [eauction.coe@ge.com](mailto:eauction.coe@ge.com). Upon successful registration, the welcome kit package is sent at the registered email address. Please contact your GE buyer/ [eauction.coe@ge.com](mailto:eauction.coe@ge.com) if you have not been registered to Oracle Sourcing.
