

Click on the link to reset the password:

<https://auth.sso.geaerospace.com/fss/ext/pwdreset/Identify?AdapterId=B2BPDForm>

Enter your B2B user SSO ID or your corporate email ID used during the registration process and click on **Next**

Enter the security code you received in your email and click on **Validate**.

On the next page, set up your new password and click on Submit. If you are unable to see the Password Requirements on this page, click on the 'See Password Requirements'.
